SFEA
Serving the
Community and
Improving the Quality
of the Federal
Government

The end of the 2002 - 2003 SFEA season is upon us. Please join us in May as we announce the Federal Employee of the Year and elect officers for the 2003 - 2004 SFEA year. It has been a great pleasure to serve as the SFEA President this year. There were many great programs ranging from Employee Development to Homeland Security, work with local charities, great food and an opportunity to know our federal co-workers better. The SFEA has even established a web site to help members stay connected. I would like to thank all of the SFEA Officers and members that have helped to make this year great, and encourage every Federal employee to take advantage of the benefits the SFEA has to offer. *Bruce*
